Please read these instructions carefully before you fill out the registration form on page 23. Most fees are discounted if the registration is received by **Friday, June 30, 2017**. Those who register by that date will be eligible for a prize drawing to win a complimentary registration for the 2018 Annual Conference.

Please follow these guidelines to fill out the form:

1. Use a separate Attendee Registration Form for each registrant. If you are paying for multiple registrants, please mail or fax all registration forms together, with the payment information on one form only.
2. Each FHCA member nursing home and member assisted living facility should designate a single voting delegate. **Place a check mark in the voting delegate box only if the registrant on the form is the voting delegate.** If your facility is part of a multifacility group, a regional or home office representative may act as your facility's voting delegate. The following is the FHCA bylaws provision which applies to members' voting privileges:

Article VII. Voting Privileges

Section 1. Each facility member shall have one vote on any question coming before the Annual Conference, a special meeting or in any of the affairs of this Association.

Section 2. The voting delegate of a facility member shall be the administrator, owner, an officer or management employee of the licensee. A person employed in the day-to-day operation of that facility may be the voting delegate if so designated in writing by the administrator, owner or an officer of the licensee.

Call Dawn Segler (800-771-3422) to request a Voting Delegate Authorization Form on which to designate your voting delegate. **It is not necessary to request a Voting Delegate Authorization Form if the administrator is serving as the voting delegate.**

TRADE SHOW POLICY: Representatives with nonexhibiting vendor companies considering the purchase of a booth for a future Trade Show must purchase a Vendor Pass for a Trade Show Tour. If the company decides to exhibit at next year's event, the \$100 payment will be applied to the cost of their booth. Purchasing admission to the Trade Show in no way grants the right to solicit business in any way; that right is reserved exclusively for our exhibitors who have purchased booths. Anyone found violating this policy will be escorted from the Trade Show.
